		Finals

2 points for a win, 1 point for a draw, 0 for a loss. Please note...due to team schedules we have 2 games in which a team from League A will play a team from League B- this cannot be helped. When teams have to play against teams in the opposite league, order of merit will be determined by points scored by each team. If 2 teams tie on points, merit will be decided by "goal difference" - counting all the matches played by the 2 teams. If the teams tie on "goal difference", we will go on "goals scored"...again counting all matches played by those teams. Order of merit will not be decided between 2 teams who have previously played against each other in which 1 has been the victor. This is due to the fact that we are running crossover leagues.

Each team to bring an umpire pony and..... last but not least please put your rubbish and tape in the bins provided. Thanks and good luck!
